## **Breve racconto del Risorgimento (Italian Edition)** Bruno Etzi

Questo studio ha lo scopo di semplificare una vicenda molto complessa, quella dell'unificazione italiana. Semplificare non vuol dire però banalizzare, ma mirare alla sostanza lasciando perdere i fronzoli e gli artificiosi grovigli. Ha l'ambizione insomma di cercare una risposta sobria a una domanda precisa: come è avvenuta l'unità d'Italia? Le pagine che seguono vogliono dunque essere utili a chi non ha né il tempo, né la pazienza per avventurarsi in libroni straripanti di pagine zeppe di informazioni, e però non si accontenta delle scheletriche sintesi contenute nei manuali per il liceo.
