Are you frustrated when your child is not responsive to your efforts to be a good parent? Are you shaking your head in confusion or barking orders as a last resort in getting through to him/her? Do you wish for more quality time with your child? Parenting is the toughest job for which most parents have no training. We tend to emulate our own parents, for good or for bad. In the Bible, Proverbs 22:6, we are told to “train your children in the ways of the Lord, so that when they are old, they will not depart from Him.” Teachable Moments: Building Blocks of Christian Parenting is a source book for parents and helping professionals who want both the spiritual context and step-by-step, practical parenting tools with which to be effective, engaged, Christian parents.

Are you ready to move from surviving to thriving in your relationship with your children? You will learn:

Nine parenting perspectives to guide your understanding of your child,

How communication defines relationship and the four distinct types of communication to use when your child is not having problems,

Eleven specific communication tools and behavior management strategies,

Practice these tools and strategies through "Learn The Concept" exercises embedded in the chapters.
