The Brotherhood Y. A. Erskine

One dead cop, one small island and an impact that will last a lifetime.

When Sergeant John White, mentor, saviour and all-round good guy, is murdered during a routine call-out, the tight-knit world of Tasmania Police is rocked to the core.

An already difficult investigation into the death of one of their own becomes steeped in political complexities when the main suspect is identified as Aboriginal and the case, courtesy of the ever-hostile local media, looks set to make Palm Island resemble a Sunday afternoon picnic in comparison.

And as the investigation unfolds through the eyes of the sergeant's colleagues, friends, family, enemies and the suspect himself, it becomes clear that there was a great deal more to John White - and the squeaky-clean reputation of the nation's smallest state police service - than ever met the eye.

The Brotherhood is a novel about violence, preconceptions, loyalties, corruption, betrayal and the question a copper should never need to ask: just who can you trust?

From reader reviews:

Jonathan Head:

Information is provisions for people to get better life, information currently can get by anyone with everywhere. The information can be a expertise or any news even restricted. What people must be consider if those information which is from the former life are difficult to be find than now is taking seriously which one would work to believe or which one typically the resource are convinced. If you obtain the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen within you if you take The Brotherhood as the daily resource information.

William Delacruz:

Reading a reserve can be one of a lot of activity that everyone in the world really likes. Do you like reading book consequently. There are a lot of reasons why people like it. First reading a publication will give you a lot of new information. When you read a publication you will get new information mainly because book is one of several ways to share the information or perhaps their idea. Second, examining a book will make anyone more imaginative. When you reading through a book especially tale fantasy book the author will bring you to imagine the story how the people do it anything. Third, you can share your knowledge to other folks. When you read this The Brotherhood, you may tells your family, friends as well as soon about yours e-book. Your knowledge can inspire the others, make them reading a e-book.

Carrie Mathis:

The reason? Because this The Brotherhood is an unordinary book that the inside of the guide waiting for you to snap it but latter it will shock you with the secret that inside. Reading this book beside it was fantastic author who else write the book in such amazing way makes the content within easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book have got such as help improving your skill and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

Marie Forrest:

As a scholar exactly feel bored to be able to reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just tiny students that has reading's soul or real their passion. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this The Brotherhood can make you sense more interested to read.
