Gay, Lesbian, and Transgender Issues in Education: Programs, Policies, and Practices (Haworth Series in Gblt Community and Youth Studies) James Sears

Understand the challenges from the voices involved—today's LGBT youth AND the leading educators and scholars in the field!

Gay, Lesbian, and Transgender Issues in Education presents LGBT youth issues through the words of the adolescents themselves, along with clear up-to-date essays about LGBT youth programs, policies, and practices around the world. Leading international educators and scholars examine personal experiences of LGBT youth, cutting-edge programs, and research first presented in the international Journal of Gay & Lesbian Issues in Education. Dynamic and thought-provoking, this insightful book brings together ideas and a vision vital for the future of today's LGBT youth.

Invaluable for educators, counselors, graduate and undergraduate students, and LGBT youth alike, Gay, Lesbian, and Transgender Issues in Education is readily accessible and easy-to-read, yet still provides in-depth, multidimensional examinations of the LGBT youth programs and practices essential for the propagation of social tolerance, acceptance, and safety of our youth. The LGBT youth voices sing clear their views about the urgent need for programs and policies within educational resources to challenge the present dominant intolerant thinking. The editor presents cogent essays that reveal the complex issues of the educational programs and practices, while offering strategies and hope for societal change. The book strives for the ultimate goal of reaching LGBT acceptance within society, to move beyond simple toleration toward becoming completely equal regardless of sexual identity.

Gay, Lesbian, and Transgender Issues in Education explores:

- transgender college students
- bullying and homophobia
- research on LGBT studies in education
- teaching elementary preservice teachers
- multicultural school-based programs for HIV education serving transgender youth
- successes and deficiencies of gay-straight alliances
- race and youth programs in urban high schools
- growing up lesbian in Australia, New Zealand, and the United States
- growing up gay in Japan and China

Gay, Lesbian, and Transgender Issues in Education is an essential exploration of LGBT issues and an excellent educational tool for educators, undergraduate and graduate students, counselors, social workers, LGBT youth, and for any professional working with LGBT youth.

Lloyd Gilbert:

As a college student exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading critically. Any students feel that reading through is not important, boring and can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country.
