**Shadow Country** Peter Matthiessen

2008 NATIONAL BOOK AWARD WINNER

Peter Matthiessen's great American epic—Killing Mister Watson, Lost Man's River, and Bone by Bone—was conceived as one vast mysterious novel, but because of its length it was originally broken up into three books. In this bold new rendering, Matthiessen has cut nearly a third of the overall text and collapsed the time frame while deepening the insights and motivations of his characters with brilliant rewriting throughout. In *Shadow Country*, he has marvelously distilled a monumental work, realizing his original vision.
