Before she can track down his latest haunt, she's called in to investigate a local moonshine distillery that was set ablaze, making her realize there's more than pies and cakes cooking in Sweet Pepper.

As rumors of a revived whiskey war ignite, Stella turns to the town's elders to help her find answers. The past might have some clues as to what has sparked the present fires. But when following a lead lands her in buried rubble, Stella realizes she must extinguish this case fast or she might be going down in flames.
